## **WEAR SOME FLARE**

Dress up your attitude and outlook with a thick layer of optimism and confidence. It will protect you from the little things that chip away at your enthusiasm and inspiration, throughout the day.

# 02

Is it more difficult for you to be proud of your accomplishment or is it more difficult to stop mentioning your success? Why?

# 03

## **DIG IN OR LET GO?**

There are times in life when people must know when not to let go. Balloons are designed to teach small children this.
